Statement of Policy

1. Al Sadiq Islamic English School recognises and accepts responsibility as an employer for providing so far as is reasonably practicable, a safe and healthy work environment for all its employees, students and visitors
2. Al Sadiq Islamic English School is committed to ensuring that risk assessments are undertaken, control measures implemented, and systems are continuously monitored and reviewed.
3. Overall responsibility for safety with the School rests with the Director. The day to day management of safety is delegated to the School Principal. The School Governing Body will ensure, as far as is reasonably practical, that:
 - 3.1 the premises are maintained in a safe condition
 - 3.2 safe access to and from the premises is maintained
 - 3.3 all equipment on the premises is safe to use
 - 3.4 appropriate safe systems of work exist and are maintained, including those for off-site visits
 - 3.5 sufficient information, instruction, training and supervision is available and provided
 - 3.6 arrangements exist for the safe use, handling and storage of articles and substances at work
 - 3.7 a healthy working environment is maintained including adequate welfare facilities
4. The School Governing Body (SGB) also recognises its obligations to non-employees. Where it is reasonably foreseeable that trainees, pupils, members of the public, contractors, volunteers etc. are or may be affected by the School's activities, the SGB will make the necessary information, instruction, training and supervision available to ensure the safety of those affected
5. The SGB will endeavour, within its allocated resources, to set aside adequate finance for this policy statement to be properly implemented
6. All staff are required to comply as a condition of their employment. Employees are reminded of their duties:
 - 6.1 to take care of their own safety and that of others; and
 - 6.2 to cooperate with the Director, SGB, Principal and the Senior Leadership Team
7. All relevant regulations and codes of practice, adopted by the School as appropriate, will be complied with
8. All pupils and students and visiting workers of the School are required to comply with the health and safety procedures of the School. This responsibility applies whenever these individuals are working on behalf of the School or remote from the School's premises
9. All staff and students must be given adequate training, information and supervision in relation to the hazards present within Al Sadiq Islamic English School as a whole and those within their specific area of work
10. The principle objective of all safety procedures is to control hazards and minimise risk. This is best achieved by preventing the hazard from arising. Risk assessments are carried out for all activities and where appropriate protective clothing, precautions and equipment must be used to control the hazard. In addition, appropriate information, instruction and training will be provided
11. Each individual on Al Sadiq Islamic English School premises has a responsibility to ensure that the School remains a healthy and safe environment. However, the day to day responsibility for safety within ASIES rests with the Director and Principal who are required to carry out regular safety inspections at least once a term.
12. All members of staff and students have an individual responsibility for safety
13. In August 2020, an internal Health & Safety Committee was established by the School Principal. The committee ensures that the School carries out activities, wherever they are undertaken, safely and with regard to the health and safety of all its students, staff, visitors and those who may be affected by its activities.

It aims to ensure that the best health and safety practice is followed in all School activities, so far as is reasonably practicable

- 14.** Consultation with staff and will be held as and when appropriate on all matters affecting the health and safety of staff
- 15.** A copy of this Statement of Policy will be provided to every member of staff within the Shared Network and on the Parent Portal
- 16.** This Statement of Policy will be reviewed at least annually and revised as and when necessary
- 17.** This Statement of Policy, together with the organisational structure and the following arrangements and procedures, has been approved by the School Governing Body

- 8.5** Fire alarms
 - 8.5.1** Instructions to employees are posted in every room incorporated in the Fire Instructions
 - 8.5.2** Detailed arrangements on how to raise the alarm are incorporated in the Site Specific Fire Emergency Evacuation Plan. A copy can be found in the Fire Logbook

8.5.3 Regular testing of fire alarms will occur weekly. Records are detailed in the Fire Logbook

8.5.4 The Fire Logbook will be kept by the Site Manager

The result of each test will be properly recorded in the Fire Logbook and be available for a visiting Fire Officer.

8.6 Fire Drills

8.6.1 Fire drills will be carried out at least three times a year

8.6.2 A record of the drill must be kept in the Fire Logbook

8.7 Fire Fighting

8.7.1 Staff should only use fire extinguishers if trained in how to operate them safely. If trained, they should only use the extinguisher if confident to do so and not put themselves or others at undue risk. There should always be a clear escape available. Ensure the alarm is raised BEFORE attempting to tackle a fire

8.8 Fire Hazards

8.8.1 Storage of flammables and chemicals

8.8.2 Control of Substances Hazardous to Health Regulations identifies the need for assessment for substances that are hazardous to health and/or whose risks need to be controlled, COSHH assessments are held departmentally

8.9 Maintenance of Fire Precautions

The Site Manager and Fire Warden will ensure regular maintenance of:

1. Emergency lighting and other emergency equipment
2. Fire extinguishers
3. Fire alarms
4. Fire doors
5. Fire Safety Signs and identification of escape routes
6. Sprinkler systems (if appropriate)

9. First Aid

9.1 The School follows the UAE Ministry of Health Guidelines for Private Schools in Dubai

9.2 The School will follow the above guidance and provide sufficient and appropriately qualified first aid staff

10.1 All glass in doors and side panels shall be certified safety glass. All replacement glass must be of the same safety standard. Through continual assessment of the premises any glass found to be below this safety standard will be covered with safety film until such time as it can be replaced by glass of the required standard

11. Hazardous Substances

- 11.1** The School has adopted the Control of Substances Hazardous to Health (COSHH) in respect of managing hazardous substances. Where hazardous substances are used, Line Managers themselves, or a designated employee, will undertake a Control of Substances Hazardous to Health (COSHH) risk assessment and adopt a hierarchy of control measures seeking to eliminate risk first and foremost
- 11.2** The Facilities Manager will undertake a Control of Substances Hazardous to Health (COSHH) risk assessment for all cleaning materials and substances brought onto the premises by contractors e.g. for fumigation and pest control and adopt a hierarchy of control measures seeking to eliminate risk first and foremost

12. Health & Safety Advice

- 12.1** The School will seek to obtain the best advice from government departments, relevant authorities and professional bodies in the UAE and overseas and adopt policy and guidance as appropriate
- 12.2** All policies to do with health and safety will be ratified by the School Governing Body for adoption by the School

13. Handling & Lifting

- 13.1** Any activities that involve significant manual handling tasks will be risk assessed and where appropriate, training provided for the staff
- 13.2** Line managers are responsible for assessing the appropriate approach to handling and may seek advice from the School Nurse

14. Inclusion

- 14.1** For more complex needs the school has adopted UK standard practices

15. Lone Working

- 15.1** Line Managers will ensure that lone working is risk assessed and that appropriate control measures are put in place to mitigate those risks. Solutions might include the provision of mobile phones, radios, in-out boards and other means of monitoring staff whereabouts
- 15.2** Staff themselves have a responsibility to ensure their own health and safety and assist in the operation of any systems designed to provide for their safety
- 15.3** The Facilities Manager will be responsible for ensuring that lone-working contractors working on site safely at all times

16. LPG (Low Pressure Gas)

- 16.1** LPG bottles are contained in outside housing which is locked at all times and clearly signed.
- 16.2** Quarterly tests include testing for leaks and pressure fluctuations. Gas sensors are located in all relevant classrooms and there is 24-hour call out in the contract in the event of a gas detector sounding.
- 16.3** The LPG supply is interfaced with the fire alarm system and automatic gas cut off would activate should the alarm sound.

17. Maintenance/Inspection of Equipment

18. Personal Protective Equipment (PPE)

18.1 Line Managers will assess the need for PPE

18.2 Where it is assessed that PPE is required it shall be appropriately selected and provided

18.3 A record of PPE issue will be made which will include details of any expiry dates so that equipment can be replaced as and when necessary

18.4 Staff are responsible for ensuring that they use PPE where it is provided

19. Pest Control

19.1 The pest control of the school is carried out by Dubai Municipality (DM) approved contractor

19.2 Frequent pest control treatments of internal areas take place as per the DM guidelines

19.3 Additional external treatments, including drains takes place monthly

19.4 Materials used are DM approved

20. Risk Assessments

20.1 The School has adopted a Risk Assessment Procedure which should be followed as guidance to the risk assessment process

20.2 Risk assessment is the responsibility of the School's managers at a variety of levels. Those responsible for premises or curriculum areas must ensure that risk assessments are undertaken, recorded and filed for significant activities

20.3 Risks should be assessed in a manner that ranks them by severity/probability for prioritisation and control measures identified and put in place that are proportional to the level of risk. The outcome of the risk assessments should be recorded and communicated to those affected and maintained on the records of the department. Risk assessments should be reviewed at least annually or where there is a change in circumstances

21. Safeguarding Pupils & Students

21.1 See ASIES Child Protection and Safeguarding Policy

22. School Canteen

22.1 The Operations Manager is responsible for the safe operations of the school canteen. The canteen staff must:

- Be familiar with the School Health and Safety Policy
- Prepare risk assessments for all catering activities
- Ensure that all kitchen staff are instructed and informed to work in accordance with these documents
- Inform the Operations Manager or Principal of any potential hazards or defects
- Be familiar with the current Food Safety legislation

23. School Trips & Off-site Activities

23.1 See the School's Policy on Educational Visits

23.2 The school follows the UAE Ministry of Education's guidance in regard to all school trips and off-site activities

24. School Transport

24.1 The Principal is responsible for, in conjunction with the driver; ensuring that vehicles kept or hired by the school are operated in accordance with the law
